

# Don't Look Back

Miguel

If I (if I), don't make it back before the sun (the sun)  
All you have to do is run (run)  
Just promise me you'll run (run) and  
Don't look back  
Don't look back  
Don't look back  
Don't look back  
And promise me you'll run

I feel the night approaching  
The moon is calling me  
Your lovely eyes have witnessed  
The horrors I can be  
I felt compelled to warn you  
Im not all that I seem  
And tho I care about you  
The night is calling me

If I (if I), don't make it back before the sun (the sun)  
All you have to do is run (run)  
Just promise me you'll run (run)  
Don't look back  
Don't look back  
Don't look back  
Don't look back  
And promise me

If I should claim a victim  
To devour you for the lie  
I pray that you forgive me  
It's just my appetite

If I (if I), don't make it back before the sun (the sun)  
All you have to do is run (run)  
Just promise me you'll run (run)  
Don't look back  
Don't look back  
Don't look back  
Don't look back  
And promise me you run

If I (If I)  
I should try (I should try)  
Try to lure you baby (try to lure you back)  
Oooo, ooo you just get as far away as  
you can

Don't look back  
Don't look back  
Don't look back  
Don't look back  
Don't look back

Baby  
OOo

Don't you look back you just keep on running now darling  
And promise me your run

Thought you run  
Thought you run  
Whats you name, whose your daddy  
Is a rich like me  
Has it take it, the time to show it  
All the things the things you need to live  
Tell it to me slowly  
I really want to know  
Is the time of the season for loving, loving
