

# Girls Like You

Miguel

Girls like you  
Remind me that I'm lonely  
Yeah  
Remind me that I'm lonely  
No one to play Connect Four with me  
I declare war with me  
Knock out and snore  
From rolling around in my bed

Someone (someone, someone)  
Anyone to listen  
I feel like I'm missing the real thing  
Tell me where I go  
Girl I got a few  
I can always call when I'm ready  
But I feel like I'm wasting my time  
Yeah

'Cause my heart beats are empty  
So once in awhile

Girls like you remind me that I'm lonely, yeah  
Remind me that I'm lonely  
No one to play Connect Four with me  
I Declare war with me  
Knock out the snore  
From rolling around in my bed

I don't wanna think,  
I just wanna drink  
Cause I'm overcome by this notion  
To no avail,  
Baby can't you tell  
But you got a hole in your heart  
I probably would dismiss it  
The truth is that I miss it for real  
Hook ups are cool  
Till I see a girl like you

'Cause my heart beats are empty  
So once in awhile (I remember)

Girls like you remind me that I'm lonely, yeah  
Remind me that I'm lonely  
No one to play Connect Four with me  
I declare war with me  
Knock out the snore  
From rolling around in my bed

Beautiful girls  
Intelligent girls  
Collate girls

I hate ya  
(Yeah I hate ya)  
Nah the truth is I want ya  
And I need ya

What's the very best way to reach ya  
I beseech ya?  
'Cause I'm looking for something real

'Cause my heart beats are empty  
So once in awhile (I remember)

Girls like you remind me that I'm lonely, yeah  
Remind me that I'm lonely  
No one to play Connect Four with me  
I declare war with me  
Knock out the snore  
From rolling around in my bed
