

# Waves

Miguel

[Verse 1]

Uh set it up, rollin', runnin', drop it  
Baby drop it like your stalling, stalling tonight  
I wanna ride that wave  
Body built for the beach, do you got that ocean?  
Body surf, don't sleep, body surf on me

[Chorus]

Don't stop, I wanna ride that wave  
All night, I'm gonna ride that wave  
Look here, I'm gon' surf in it baby  
Get turnt in it baby, put work in it baby  
Keep working it while I ride that wave

[Verse 2]

Put it out, I'm on fire, fire  
That's what I'm about, take me higher, higher, tonight  
(I'm gonna ride that wave)  
You got everybody built for the beach  
Do you got that ocean?  
Body surf, don't sleep, body surf on me, woman

[Chorus]

Don't stop, I'm gonna ride that wave  
All night, I'm gonna ride that wave  
Look here, I wanna surf in it baby  
Get turnt in it baby, put work in it baby  
Keep working it while I ride that wave

[Verse 3]

Bet you turn up when I pipe down  
I'ma get it 'til I wipe out  
Bully that thing, baby lights out  
I'm gonna ride that wave  
Let it crash down on me  
Let it splash down on me  
Body surf, don't sleep, until I hit the peak

[Bridge]

Yeah, get wild baby, so hot, god damn, I need a towel baby  
I could wipe you down right now baby  
I could ride that wave right now, say  
Yeah, get wild baby, so hot, god damn, I need a towel baby  
I could wipe you down right now baby  
I could ride that wave right now, say  
Yeah, get wild baby, so hot, god damn, I need a towel baby  
I could wipe you down right now baby  
I could ride that wave right now, say

[Chorus]

Don't stop, I wanna ride that wave  
All night, I'm gonna ride that wave  
Look here, I'm gonna surf in it baby  
Get turnt in it baby, put work in it baby  
Keep working it while I ride that wave

[Bridge]

Yeah, get wild baby, so hot, god damn, I need a towel baby  
I could wipe you down right now baby  
I could ride that wave right now, say  
Yeah, get wild baby, so hot, god damn, I need a towel baby  
I could wipe you down right now baby  
I could ride that wave right now, say  
Yeah, get wild baby, so hot, god damn, I need a towel baby
