

# Genghis Khan

Miike Snow

I know there's no form  
And no labels to put on  
To this thing we keep  
And dip into when we need  
And I don't have the right  
To ask where you go at night  
But the waves hit my head  
To think someone's in your bed

I get a little bit Genghis Khan  
I don't want you to get it on  
With nobody else but me  
With nobody else but me  
I get a little bit Genghis Khan  
Don't want you to get it on  
With nobody else but me  
With nobody else but me

And the lights, they glow  
Like I just lost the world war  
And the scene slips away  
To the evenness I fake  
It's a cheat somewhere  
Cause I don't really want you, girl  
But you can't be free  
Cause I'm selfish, I'm obscene

I get a little bit Genghis Khan  
I don't want you to get it on  
With nobody else but me  
With nobody else but me  
I get a little bit Genghis Khan  
Don't want you to get it on  
With nobody else but me  
With nobody else but me

I wanna make up my mind  
But I don't know myself  
No I don't know myself  
I wanna make up my mind  
But I don't know myself  
No I don't know myself  
I wanna make up my mind  
But I don't know myself  
No I don't know myself

I get a little bit Genghis Khan  
I don't want you to get it on  
With nobody else but me  
With nobody else but me  
I get a little bit Genghis Khan  
Don't want you to get it on  
With nobody else but me  
With nobody else but me
