

# The Heart of Me

Miike Snow

You took the yellow diamond spears and turned it on its head  
And everybody wants to turn up, give it to them  
Sharp through tension, sharp through tension  
You've put a lasso on the scene  
Feeds and pages, feeds and pages  
Look away and take the backdoor to

The heart of me  
Because I can't believe  
That anything's cool anymore

I want to touch you, I want you to touch me  
I can't stop this hurtful shit from happening  
You and I, we've been through it  
And this is no time wave  
Dip into the lake, the mountains  
Shake the fear of God into

The heart of me  
Because I can't believe  
That anything's cool anymore

I remember standing in a cathedral  
Somewhere in Northern Europe, I think it was Paradiso  
The space around my head was ringing  
And I felt like I finally touched this world  
I felt as if I finally understood  
That we have to build something of our own now  
Even if I didn't know it at the time  
I choose to

The heart of me  
Because I can't believe  
To the heart of me  
Because I can't believe
