

# Any Other World

Mika

In any other world  
You could tell the difference  
And let it all unfurl  
Into broken remembrance

Smile like you mean it  
And let yourself let go

Cos it's all in the hands  
Of a bitter bitter of man

Say goodbye to the world  
You thought you lived in  
Take a bow  
Play the part  
Of a lonely lonely heart  
Say goodbye to the world  
You thought you lived in  
To the world you thought you lived in

I try to live alone  
But lonely is so lonely  
So human as I am  
I had to give up my defences

So I smile and try to mean it  
To make myself let go

Cos it's all in the hands  
Of a bitter bitter man

Say goodbye to the world  
You thought you lived in  
Take a bow  
Play the part  
Of a lonely lonely heart  
Say goodbye to the world  
You thought you lived in  
To the world you thought you lived in

Cos it's all in the hands  
Of a bitter bitter man

Say goodbye to world  
You thought you lived in  
Take a bow  
Play the part  
Of a lonely lonely heart  
Say goodbye to the world  
You thought you lived in  
Say goodbye to the world  
You thought you lived in  
Say goodbye to the world  
You thought you lived in  
Say goodbye to the world  
You thought you lived in  
Say goodbye to the world

You thought you lived in

To the world you thought you lived in

In any other world  
you could tell the difference
