Kick Ass (We Are Young)

We are young We are strong We're not looking for where we belong We're not cool We are free And we're running with blood on our knees We could rule the world On a silver platter From the wrong to the right light To an open stream With a crash and burn We could make it better Turn it upside down Just you and me We are the dream No other way To be We are young We are strong We're not looking for where we belong We're not cool We are free And we're running with blood on our knees I could change the world I could make it better Kick it up and down Take a chance on me When you fake a smile And you think you're better Gonna put it down Rip it at your feet No bridge to burn Nowhere to turn For me We are young We are strong We're not looking for where we belong We're not cool We are free And we're running with blood on our knees What do they know about us? Are they thinking of somebody else? Are they wondering what we might be? Are they thinking of you or of me?
