

No Place in Heaven

Mika

Father, will you forgive me for my sins?
Father, if there's a Heaven, let me in.
I don't know where to go if I should die?
We haven't been on speaking chance for so long, you and I.

I was a freak since seven years old,
Being castaway, I felt the cold
coming over me

For every love I had to hide
And every tear I ever cried
I'm down on my knees,
I'm begging you please
There's no place in Heaven
For someone like me

Won't you open the door
And try me once more?
'Cause there's no place in Heaven
For someone like me
'Cause there's no place in Hea...

In between a solution can be found
How long will I swim before I drown?
And in between those words we did not say
Do you think that you could learn to love me anyway.

I was a freak since seven years old,
Being castaway, I felt the cold
coming over me

For every love I had to hide
And every tear I ever cried
I'm down on my knees,
I'm begging you please
There's no place in Heaven
For someone like me

Won't you open the door
And try me once more?
'Cause there's no place in Heaven
For someone like me

Oh, I'm down on my knees,
I'm begging you please
There's no place in Heaven
For someone like me
'Cause there's no place in Hea...

Father, won't you forgive me for my sins?
Father, if there's a Heaven, let me in.
Father, is there any way to see
If there's room in Heaven left for me?

I'm down on my knees,
I'm begging you please
There's no place in Heaven

For someone like me

Won't you open the door
And try me once more?
'Cause there's no place in Heaven
For someone like me

Oh, I'm down on my knees,
I'm begging you please
There's no place in Heaven
For someone like me
There's no place in Hea...

One for me
