

Oh Girl You're the Devil

Mika

She's a girl with a bag full of hearts and a devil's eye
Crazy kids in the wild on the run to the county line
Shotgun for a tongue but says just what she likes
Oh girl you're the devil
Oh girl you got the devil inside

And I said follow me
Whoever you want to be
Don't care where you where you go
As long as you stay with me
And I said follow me
Whoever you want to be
Don't care where you where you go
As long as you stay with me

Oh girl, you're the devil (She's a bad, bad girl)
Oh girl, you got the devil inside (A very bad girl)
Oh girl, you're the devil (She's a bad, bad girl)
Oh girl, you got the devil inside (A very bad girl)

Growing up as a son of a preacher in a Catholic school
Jumps out of a closet at first no parachute
Bought a one-way ticket on a Greyhound out of town
Oh boy, you're the devil
Oh boy, you're the devil I found

And I said follow me
Whoever you want to be
Don't care where you where you go
As long as you stay with me
And I said follow me
Whoever you want to be
Don't care where you where you go
As long as you stay with me

Oh girl, you're the devil (She's a bad, bad girl)
Oh girl, you got the devil inside (A very bad girl)
Oh boy, you're the devil (He's a bad, bad boy)
Oh boy, you got the devil inside (A very bad boy)

Oh girl, you're the devil (She's a bad, bad girl)
Oh girl, you got the devil inside (A very bad girl)
Oh boy, you're the devil (He's a bad, bad boy)
Oh boy, you got the devil inside (A very bad boy)

And I said follow me
Whoever you want to be
Don't care where you where you go
As long as you stay with me
And I said follow me
Whoever you want to be
Don't care where you where you go
As long as you stay with me

She's a bad, bad girl
A very bad girl
He's a bad, bad, boy

A very bad, bad boy
