

## Origin of Love

Mika

Love is a drug and you are my cigarette  
Love is addiction and you are my Nicorette  
Love is a drug like chocolate like cigarettes  
I'm feeling sick, I've got to medicate myself

I want your love don't try and stop me  
Can't get enough, still hanging on me  
Your guilty heart, don't let it break you  
And if you pray well no one's gonna save you

Like everyone that you fear and everything you hold dear  
Even the book in your pocket  
You are the sun and the light, you are the freedom I fight  
God will do nothing to stop it  
The origin is you  
You're the origin of love

Love is a drug and you are my cigarette  
Love is addiction and you are my Nicorette  
Love is a drug like chocolate like cigarettes  
I'm feeling sick, I've got to medicate myself

Well if God is a priest and the devil a slut  
Now that's a reason for love then  
Like every word that you preach  
Like every word that you teach  
With every rule that you breach  
You know the origin is you

From the air I breathe, to the love I need  
Only thing I know, you're the origin of love  
From the God above to the one I love  
Only thing that's true, the origin is you  
[x2]

Padre nostrum, deus machismo  
Padre deus, deus machismo  
Dione madre, deus machismo  
Deus esso sancto spirito

Like stupid Adam and Eve they found their love in a tree  
God didn't think they deserved it  
He taught them hate, taught them pride  
Gave them a leaf, made them hide  
Let's push their stories aside  
You know the origin is you

From the air I breathe to the love I need  
Only thing I know, you're the origin of love  
From the God above to the one I love  
Only thing that's true, the origin is you  
[x2]

Some love's a pill and some love is a candy cane  
It tastes so sweet but leaves you feeling sick with pain  
Your love is air, I breathe it in around me  
Don't know it's there but without it I'm drowning

Love  
You're the origin of love  
Love  
You're the origin of love love love  
Love love

[4x]  
The origin of love love love  
Love love

Thank God that you found me  
Thank God that you found me  
Thank God that you found me
