

Satellite

Mika

[Mika's cover of Dave Matthews Band's song]

Satellite in my eyes
Like a diamond in the sky
How I wonder.

Satellite strung from the moon
And the world your balloon
Peeping tom for the mother station
Winters cold spring erases
And the calm away by the storm is chasing
Everything good needs replacing
Look up, look down all around, hey satellite
Satellite, headlines read
Someones secrets you've seen
Eyes and ears have been
Satellite dish in my yard
Tell me more, tell me more
Who's the king of your satellite castle?

Winters cold spring erases
And the calm away by the storm is chasing
Everything good needs replacing
Look up, look down all around, hey satellite
Rest high above the clouds no restrictions
Television we bounce round the world
And while I spend these hours
Five senses reeling,
I laugh about the weathersmans satellite eyes.
Satellite in my eyes
Like a diamond in the sky
How I wonder.

Satellite strung from the moon
And the world your balloon
Peeping tom for the mother station
Winters cold spring erases
And the calm away by the storm is chasing
Everything good needs replacing
Look up, look down all around, hey satellite
Rest high above the clouds no restrictions
Television you bounce from the world
And while I spend these hours
Five senses reeling
I laugh about this world in my satellite eyes.
