

## Because Of You

Mikaila

I gotta go, get away  
How I feel about you makes me wonder  
If our love is true  
You wanna go, all the way  
Could you wait a little bit longer  
Cause I'm saving all my love because of you

Finally I found it  
Someone that I really care about  
Baby I believe that you're the one  
Now I understand it  
That I want you without a doubt  
But now I gotta take some time alone

So much more than just a friend  
It's the beginning not the end  
I'll be there for you time and time again

I don't wanna hurry  
Even though I wanna stay the night  
Think I better leave it's getting late  
You don't have to worry  
You're the only one that's in my life  
Everything will come to those who wait

When you're by my side  
Don't wanna let you go  
Hold you so close to me  
I don't wanna hide  
I try to let it show  
But this is the way I feel - oh baby

[Chorus]
