

Emotional

Mikaila

I don't need a heartache
and crushes can be so fake
sooner than you know it
they turn your world around
you might think I'm crazy
when I don't want red roses
I'd rather have you promise
to never let me down

I don't wanna fall in love
I try and try but then we get emotional
Oh I don't need a hit and run
Don't tell me we were only having fun

kinda like your sweet talk
and that could make a good start
but if you wanna move me
play it straight with my heart

I don't wanna fall in love
I try and try but then we get emotional
Oh I don't need a hit and run
Don't tell me we were only having fun

so maybe you're the one
who gets me going on
but I'm not waiting for a star to fall
you gotta treat me right
and be my knight in white
that's so emotional

oh Emotional [x3]
so emotional
