

## Emotional

Mikaila

I don't need a heartache  
and crushes can be so fake  
sooner than you know it  
they turn your world around  
you might think I'm crazy  
when I don't want red roses  
I'd rather have you promise  
to never let me down

I don't wanna fall in love  
I try and try but then we get emotional  
Oh I don't need a hit and run  
Don't tell me we were only having fun

kinda like your sweet talk  
and that could make a good start  
but if you wanna move me  
play it straight with my heart

I don't wanna fall in love  
I try and try but then we get emotional  
Oh I don't need a hit and run  
Don't tell me we were only having fun

so maybe you're the one  
who gets me going on  
but I'm not waiting for a star to fall  
you gotta treat me right  
and be my knight in white  
that's so emotional

oh Emotional [x3]  
so emotional
