

Stop Baby

Mike & The Mechanics

Open your eyes
Tell me what's on your mind
Don't try to hide
Baby what's wrong

You never lie
But you don't know what to say
Now I look in your eyes
I can see it's all gone

Stop Baby
You don't understand and I said
Stop Baby
You don't know what you're doing and I said
Stop Baby
You're breaking my heart and I said
Stop Baby
Think it over again and I said
Stop

Where will you go
Where will you stay tonight
Is there someone you know
Are you sure you're alright

I never cry
I never could show the pain
But I won't survive
Now it's all gone

Stop Baby
You don't understand and I said
Stop Baby
You don't know what you're doing and I said
Stop Baby
You're breaking my heart and I said
Stop Baby
Think it over again and I said
Stop
