

## Stop Baby

Mike & The Mechanics

Open your eyes  
Tell me what's on your mind  
Don't try to hide  
Baby what's wrong

You never lie  
But you don't know what to say  
Now I look in your eyes  
I can see it's all gone

Stop Baby  
You don't understand and I said  
Stop Baby  
You don't know what you're doing and I said  
Stop Baby  
You're breaking my heart and I said  
Stop Baby  
Think it over again and I said  
Stop

Where will you go  
Where will you stay tonight  
Is there someone you know  
Are you sure you're alright

I never cry  
I never could show the pain  
But I won't survive  
Now it's all gone

Stop Baby  
You don't understand and I said  
Stop Baby  
You don't know what you're doing and I said  
Stop Baby  
You're breaking my heart and I said  
Stop Baby  
Think it over again and I said  
Stop
