

# You Are The One

Mike & The Mechanics

Time from the man, who will live while he can, on his own  
Pass by the dream, it's movie you've seen once before  
Tears in the rain, as you wave at the plane  
As it climbs through the clouds, to the sun

You are the one, oh, you are the one  
You make it all worthwhile, you make it all worthwhile  
You are the one, oh, you are the one  
You make it all worthwhile, you make it all worthwhile  
I see your picture smiling back at me  
But I'm afraid of the future, I'm afraid you won't see

Look for the slave, is he trying to wave or to drown?  
There at the start, he'll be there when your heart touches down  
Drawn to the pain, like a moth to a flame  
As he climbs through the clouds, to the sun

You are the one, oh, you are the one  
You make it all worthwhile, you make it all worthwhile  
You are the one (you are the one)  
Oh, you are the one (you're the only one)  
You make it all worthwhile (you make it all worthwhile)  
You make it all worthwhile  
I see your picture smiling back at me  
But I'm afraid of the future, I'm afraid you won't see
