

## 40 Grand In The Hole

Mike Doughty

40 grand in the hole  
Scraping my dreams out of the sugar bowl  
My love for you's corrupt  
Write down the words and then I snort them up

When will I love someone?  
When will someone be mine?  
40 grand in the hole  
I'm gonna open it up and let my yearning shine

Hours that I have slept  
Slumping down, down like a narcolept  
Surrendering to joy  
Standing in line at Teriyaki Boy

When will I love someone?  
When will someone be mine?  
40 grand in the hole  
I'm gonna open it up and let my yearning shine

When will I hear the click?  
When will I know that it is time to split?  
What is the use of it?  
What is my life without the heart at risk?

When will I love someone?  
When will someone be mine?  
40 grand in the hole  
I'm gonna open it up and let my yearning shine
