40 grand in the hole Scraping my dreams out of the sugar bowl My love for you?s corrupt Write down the words and then I snort them up

When will I love someone?
When will someone be mine?
40 grand in the hole
I?m gonna open it up and let my yearning shine

Hours that I have slept Slumping down, down like a narcolept Surrendering to joy Standing in line at Teriyaki Boy

When will I love someone?
When will someone be mine?
40 grand in the hole
I?m gonna open it up and let my yearning shine

When will I hear the click?
When will I know that it is time to split?
What is the use of it?
What is my life without the heart at risk?

When will I love someone?
When will someone be mine?
40 grand in the hole
I?m gonna open it up and let my yearning shine
