

# Real Love

Mike Doughty

We are lovers true and through and though  
We made it through the storm  
I really want you to realize  
I really want to put you on  
I've been searching for someone to  
Satisfy my every need  
Won't you be my inspiration,  
Be the real love that I need

Real love. I'm searching for a real love  
Someone to set my heart free  
Real love. I'm searching for a real love

Oooh, when I met you I just knew that  
You would take my heart and run  
Until you told me how you felt for me  
You said I'm not the one  
So I slowly came to see  
All of the things that you were made of  
And now I hope my dreams and inspirations  
Lead me to want some real love

I got to have a real love

Loves so true and oh baby  
I thought that love was you  
I thought you were the answer to  
The question in my mind  
But it seems that I was wrong  
If I stay strong maybe I'll find my real love

So I try my best and pray to God  
He'll send me someone real  
To caress me and to guide me towards  
A love my heart can feel  
Now I know I can be faithful  
I can be your all in all  
I'll give you good luvin' though the summertime,  
Winter, spring, and fall

You see I'm searching for a real love  
And I don't know where to go  
Been around the world and high and low  
And still I'll never know  
How it feels to have a real love  
'cause it seems it's not around  
Gotta end it in this way because it  
Seems he can't be found
