Follow the leader, bad senoritas in two seaters She loves green, that's money, Mary Jane and Margaritas The way it seems, the streets be looking at me like a teacher They hounding me, like desperate rappers waiting for a feature I ain't saying I don't need you, I'm saying let's keep the pace Should be back at your place, just being patient with your feet up They say he's so chill, how does he show no stress? He can't see into the future, how does he know what's next? Seeing all of these steps that he's taking You're mistaken if they say we ain't so complex I'm tryna be in a blue coupe, you can't pronounce the name With a bad yellow bitch and she's singing Purple Rain, so insane

And people talking down on me, I don't really think they should They said they could do it better, I don't really think they could I ain't one for niggas wishes, but I wish a nigga would This ain't as easy as it looks, I just make it look good

Yeah they talking down on me, I don't really think they should They said they could do it better, I don't really think they could I ain't one for niggas wishes, but I wish a nigga would This ain't as easy as it looks, I just make it look good

If it's politics, we're the presidents so presence serves a purpose It's obvious that we're evidence, you're paying for a service And I feel, you always think you're less than what you can be What does it mean if I think I'm the one these niggas can't see? Gang mentality, Odd Future is a family My niggas thrash, I was always Anti, Plan-B Did I lose you? I know I'm much more than you're used to Now I got these girls stepping out from their usual So they tune in, T.I., see I, realize I'm a stand up guy And these niggas realize they can't stand to see me on TV So they lose their footing like they were gluttons with diabetes But fuck the bullshit, I'm just tryna get rich With my middle fingers up screaming swag me out bitch Black kid on the corner selling drugs, go figure Salute them with 21 guns, I'm killing these niggas

Uh, bitch Oh, and Free Earl motherfucka'

And people talking down on me, I don't really think they should They said they could do it better, I don't really think they could I ain't one for niggas wishes, but I wish a nigga would This ain't as easy as it looks, I just make it look good

Yeah they talking down on me, I don't really think they should They said they could do it better, I don't really think they could I ain't one for niggas wishes, but I wish a nigga would This ain't as easy as it looks, I just make it look good
