

Scandalous Hoes (Skit)

Mike Jones

I call this song here scandalous hoes cause
There's a lot of people that's scandalous out there
Y'knahmsayin? And..
Right now the time for everybody to really open they eyes man
Make sure whoever you're around, make sure you trust 'em
Cause people can put you in a messed up situation
that you gon' regret for the rest of your life, y'knahmsayin?
The first one was on "Who Is Mike Jones?"
Called Scandalous Hoes, part one
And me and my homey T-Pain had to come back with part two
I want y'all to check it out
Y'knahmsayin? ... Cool!
