

## A Thief In The Night

Mike Ness

When you found somebody new I thought  
I never would forget you more that I thought I never could  
But times takin' all the pain away  
Until now I'm down and hurting once a day

Once a day, all day long  
And once at night from dusk 'till dawn  
The only time I wish you weren't gone  
Is once a day everyday all day long

I'm so glad I'm not like a friend I knew one time  
He lost the one he loved and slowly lost his mind  
He sat around and cried his life away  
Lucky my I'm only crying once a day

Once a day all day long  
And once at night from dusk 'till dawn  
The only time I wish you weren't gone  
Is once a day everyday all day long  
Is once a day everyday all day long
