

Let The Jukebox Keep On Playing

Mike Ness

Oh, let the jukebox keep on playing
Let that record roll around
Let my baby keep on sayin'
She's the lonesome gal in town

Let her know that I'll be waiting
Till my lonely days are through
Let the jukebox keep on playin'
Till I'm holding you

Let those honky tonkin' angels
Be the girl I never loved,
Let her know it's you I'm cravin'
And it's you I'm thinkin' of

Let her know that I'll be waiting
Till my lonely days are through
Let the jukebox keep on playin'
Till I'm holding you

Oh, let the jukebox keep on playing
Let that record spin around
Let my baby keep on sayin'
She's the lonesome gal in town

Let her know that I'll be waiting
Till my lonely days are through
Let the jukebox keep on playing
Till I'm holding you
