

Once A Day

Mike Ness

When you found somebody new I thought
I never would
Forget you more that I thought I never could
But times takin all the pain away
Until now I'm down and hurting once a day

Once a day
All day long
And once at night
From dusk til dawn
The only time
I wish you weren't gone
Is once a day everyday all day long

I'm so glad I'm not like a friend I knew one time
He lost the one he loved
And slowly lost his mind
He sat around and cried his life away
Lucky my I'm only crying once a day

Once a day
All day long
And once at night
From dusk til dawn
The only time
I wish you weren't gone
Is once a day everyday all day long

Is once a day everyday all day long
