

You Win Again

Mike Ness

The news is out all over town
That you've been seen out running 'round
I guess that I should leave but then
I just can't go you win again

This heart of mine could never say
What everybody knew but me
Just trusting you was my great sin
What can I do? You win again

I'm sorry for your victim now
'Cause soon his head like mine will bow
He'll give his love but all in vain
And some they say you win again

You have no heart, you have no shame
You take true love and give the blame

I guess that I should not complain
I love you still, you win again
I love you still, you win again
I love you still, you win again
