

## Far Country

Mike Oldfield

She takes the rain  
Turns it to sun  
And my soul she fills it

Where once was a desert  
Rivers now run  
And my storm she stills it  
She takes the rain (and turns it to sun)

She breathes the air  
From a far country  
This bond survives  
Like a tall, tall tree  
I close my eyes  
And how far I sees...She takes the rain

She gives me hope  
When there's nothing but pain  
I can't explain it  
Two different leaves  
But the branche is the same  
Forever let it be...She takes the rain

She breathes the air  
From a far country  
This bond survives  
Like a tall, tall tree  
I close my eyes  
And how far I see...She takes the rain

She breathes the air,  
From a far country  
This bond survives,  
like it's all told dream  
I close my eyes,  
And how far I see...She takes the rain
