## Islands

## **Mike Oldfield**

Islands from the first time we saw We could wait for this moment, like rocks on the shore We can never be closer somehow For the moments that lasts, is this moment now

When the night's on fire will you keep the Candlelight Burning Hold on to your hearts desire When you see one bird into the wind another one's turning And the two can fly much higher

We are Islands but never too far, we are Islands And I need your light tonight, and I need your light tonight, We are Islands but never too far, we are Islands And I need your light tonight, and I need your light tonight

Islands never been to before and we climb so high To where the wild birds soar, there's a new path that We found just today I was lost in the forest and you Showed me the way

When the night's on fire will you keep the Candlelight Burning Hold on to your hearts desire When you see one bird into the wind another one's turning And the two can fly much higher
