Magic Touch

Mike Oldfield

Once in a lifetime you find that power to break out and run from the devils deep clutch all that you need its the finest hour is to believe in the Magic Touch

A thief in the night, love steals you far away
A thief in the night, love takes your breath away
Can't believe it, like no other
Love is a gift and to take you so much
You need the blue night to discover
Only true lovers have the Magic Touch

Once in a lifetime you find that faith when your under the spell and it takes control everything round you just falls in place and all that you touch seems to turn to gold

A thief in the night, love steals you far away
A thief in the night, love takes your breath away
Can't believe it, like no other
Love is a gift and to take you so much
You need the blue night to discover
Only true lovers have the Magic Touch
