

# Mistake

Mike Oldfield

There was a mistake under the weather,  
One shout's gonna turn into another.  
It's a heartbreak under the weather,  
Standing out in the cold.

Highway is frightening.  
Rain hammering on your window.  
I hate sheet lightning.  
You reach for the telephone.

Mistake under the weather,  
One shout's gonna turn into another.  
It's a heartbreak under the weather,  
Standing out in the cold.

I pray for blue skies,  
Rain hammering on your window.  
On your way you wonder why  
You're spending on your own.

Mistake under the weather,  
One shout's gonna turn into another.  
It's a heartbreak under the weather,  
Standing out in the cold.

And talking on the radio,  
You never know how to say  
Anything's a plan that could be on your mind,  
It could vanish in a tragical way.  
Get lost in dreaming.  
Rain hammering on your window,  
Try to catch the meaning.

You're dancing on your own.

Mistake under the weather,  
One shout's gonna turn into another.  
It's a heartbreak under the weather,  
Standing out in the cold.

And talking on the radio,  
You never know how to say  
Anything's a plan that could be on your mind,  
It could vanish in a tragical way.

There was a mistake under the weather,  
One shout's gonna turn into another.  
It's a heartbreak under the weather,  
Standing out in the cold.

It was a mistake under the weather,  
One shout's gonna turn into another.  
It's a heartbreak under the weather,  
Standing out in the cold.

There was a mistake under the weather,  
One shout's gonna turn into another.

It's a heartbreak under the weather,  
Standing out in the cold.

It was a mistake!
