Pictures in the Dark

Mike Oldfield

Follow the light that glows Through your bedroom window. Tonight, tonight, the fading twilight. There's a hollow deep in the woods Where you know you're crazy To go, to go, not even meant to know There are...

Pictures in the dark, I see all around. Voices calling underground And I'm watching the stars since the World was found.

One, two, three.

Pictures in the dark, I see Morpheus comes to me. Pictures in the dark, I see. Aurora sets you free.

And in the deepest dark You come to a maze in. The night, the night, the fading twilight. And you shiver the glistening path Where you know you're crazy To go, to go, not even meant to know. There are...

Pictures in the dark, I see all around. Voices calling underground And I'm watching the stars since the World was found.

One, two, three. Lost in my dreams.

This night will never end. You can only fly in your dreams. Midnight will be your friend. Drift away on starlight beams. Clocks are ticking the night away. You can only fly until dawn ascends.

Pictures in the dark, I see Morpheus comes to me. Pictures in the dark, I see. Aurora sets you free.

Pictures in the dark I see, Aurora sets you free

Holding a fantasy that changes you a way through the door, The door (and) through the day is born As the sunlight shines through the window, will you remember the night, The night, that crazy starlight There are... Pictures in the dark, see all around

Pictures in the dark, I see Morpheus comes to me. Pictures in the dark, I see. Aurora sets you free.
