

Poison Arrows

Mike Oldfield

Silence in the air
Is anybody there ?
Searching every sound
Walking on quiet ground

R: Somebody's out to get you
Hiding in shadows - Poison Arrows
Somebody's out to break you
Hiding in narrows - Poison arrows

When d'you gonna break ?
Watching every move you make
And everything you do
Evil eyes'll be on you

R:

Don't give in, don't come any closer, no sir
Keep running, coming in closer, closer
Don't give in, don't come any closer, no sir
Keep running, coming in closer, closer

What d'you gonna do ?
Time is running out on you
Anywhere you choose
Anyway you're gonna lose
