

# Tricks of the Light

Mike Oldfield

I'm half a crazy man  
Waiting for confirmation  
Signs keep changing and  
I need some more information

Some tricks of the light  
You never know  
Make a flickering midnight light  
Into a glow

It's a trick of the light  
It's a trick of the light

Something tells me how  
Her bright blue eyes are smiling  
She turns her head now  
Will she won't she deny him

Some tricks of the light  
You never know  
Make a flickering midnight light  
Into a glow  
And spark that you saw so bright  
Was just for show  
Could it ever have turned out right  
You'll never know

It's a trick of the light  
It's a trick of the light

She turns she takes his hand  
Breaking his concentration  
She burns at his command  
Makes some transfiguration

Some tricks of the light etc.  
You never know
