

# When You're Sleeping

Pinder, Mike

Your daddy's going to love you every single day  
Your daddy's going to hug you when you cry  
There's lots of things to do  
And we'll do them all with you  
Together we can touch the sky

Your momma's going to love you every single day  
Your momma's going to hug you when you're blue  
We're going to teach you everything  
You really need to know  
And then it will be up to you

When you're sleeping  
Count one to ten and you're dreaming  
The moon's big and bright  
The star's twinkle light  
For you

We're gonna watch you at your work and in your play  
And when you need us we'll be standing there  
You're the apple in our eye  
You're a lovely little guy  
Thank the lord for all this love we share

When you're sleeping  
We're gonna tuck you in for save keeping  
A new day's in sight  
The sun brings his light  
For you

When you're sleeping  
We're gonna tuck you in for save keeping  
A new day's in sight  
The sun brings his light  
For you

When you're sleeping  
Count one to ten and you're dreaming  
The moon's big and bright  
The star's twinkle light  
For you

When you're sleeping  
We're gonna tuck you in for save keeping  
A new day's in sight  
The sun brings his light  
For you
