

# Falling

Mike Posner

Well, alright, oh, oh, Lord  
Well, alright, oh, oh, Lord  
Well, alright, oh, Lord  
Well, aright

Drive your high heel into my heart  
I don't even care  
'Cause my pride is worth much more than your  
Your stupid little love

Every word that you say keeps on  
Bouncing around in my head  
When all my delusions of grander  
Have turned into bad jokes instead

You'll be there pointing and laughing  
To prove you were wiser than I  
Well, I'm just pretending perfection  
I'm flying uncomfortably high

It feels like I'm falling  
It feels like I'm falling  
It feels like I'm all in  
It feels like I'm falling

Drive your high heel into my heart  
'Cause I don't even care  
My pride is worth much more than your  
Your stupid, your stupid little love

Every word that you say keeps on  
Bouncing around in my head  
When all my delusions of grander  
Have turned into bad jokes instead

You'll be there pointing and laughing  
To prove you were wiser than I  
Well, I'm just pretending perfection  
I'm flying uncomfortably high

It feels like I'm falling  
It feels like I'm falling  
It feels like I'm all in  
It feels like I'm falling

It feels like I'm falling  
It feels like I'm falling  
It feels like I'm all in  
It feels like I'm falling

Well, alright, oh, Lord  
Well, alright, oh, Lord, oh, Lord
