

# Hold It Together

Mike Shinoda

She said "are you okay?"  
And I'm staring into space  
It's making her nervous cause one thing is certain  
I don't have my head on straight  
We're trying to get through each week  
On two or three hours of sleep  
I said "don't be patient"  
That we're going to make it

I have to admit that I'm struggling  
They say take it slow  
But the world keeps spinning  
And that I don't control  
And so there I go  
Trying to act normal  
So they won't know that

I'm just trying to hold my shit together  
Together darling  
I'm just trying to hold my shit together  
Together darling

They say that they sympathize  
I'm grateful they take the time  
But bringing it up at this six year old birthday  
It kinda fucks up my vibe  
We end on an awkward note  
I make the most awkward joke  
Too dark to be funny  
I shouldn't have come it'd be weird to go home

And I'm struggling  
They say take it slow  
But the world keeps spinning  
And that I don't control  
And so there I go  
Trying to act normal  
So they won't know that

I'm just trying to hold my shit together  
Together darling  
I'm just trying to hold my shit together  
Together darling  
Oh I don't know what else to try  
Pretend I'm in control  
But I'm just trying to hold my shit together  
Together darling

I'm just trying to hold my shit together  
Together darling  
I'm just trying to hold my shit together  
Together darling  
Oh I don't know what else to try  
Pretend I'm in control  
But I'm just trying to hold my shit together  
Together darling
