

# Pieces

Mikeschair

Oh Ohh ohhhhh  
In the starlight  
The ground's shaking  
And I don't know what to do  
I try to run in  
But I'm breaking  
Will I ever make it through?  
My pride, my weakness, the lies I tell  
I still hide, my disguise can make me well

Will You tear my world apart, rebuild it completely?  
Will You reach for my breaking heart and hold it together?  
Lord, come make me new  
I give the pieces to You

I never realized  
What I was missing  
When I had nothing to lose  
Never lived life  
'Til I listened  
And I really heard the truth  
Through my lies  
Through the weakness  
My pride fell  
I can't hide my life  
You know me too well

Will You tear my world apart, rebuild it completely?  
Will You reach for my breaking heart and hold it together?  
Lord, come make me new  
I give the pieces to You

In Your hands  
You're making me closer to free  
And I believe  
You put love in Your plans for me

You tear my world apart  
Will You reach for my breaking heart, yeah  
Yeah  
Yeah

Will You tear my world apart, rebuild it completely?  
Will You reach for my breaking heart, and hold it together?  
Lord, come make me new  
I give the pieces to You  
Yeah  
I give the pieces to You  
Yeah  
I give the pieces to You  
To You  
I give the pieces to You  
To You  
I give the pieces to You
