

Let You Run

Mikey Wax

Dear love you're always in my head and I won't try to pretend
You are more than just my friend so let's be honest
Oh I need you to decide if you need me in your life
I don't wanna keep you tied if your hearts not in it then

I will be the one, will be the one to let you run
I will be the one, will be the one to let you run

Hey love you take away my breath with your lips so perfectly re
d
Yeah, I have no defense against all your beauty
So I need you to be kind
If you need me in your life
Won't you please give me a sign
Cause if your hearts not in it then

I will be the one, will be the one to let you run
I will be the one, will be the one to let you run
And I know you didn't mean to put me in this place but the word
s you
haven't said are written on your face
and I will be the one, will be the one to let you run

I hope I don't see the day
You're walking my way
With somebody else in my place
And maybe you wave
Or maybe we both just look away

I will be the one, will be the one to let you run
I will be the one, will be the one to let you run
And I know you didn't mean to put me in this place but the word
s you
haven't said are written on your face
and I will be the one, will be the one to let you run

I will be the one, will be the one to let you run
And I know you didn't mean to put me in this place but the word
s you
haven't said are written on your face
and I will be the one, will be the one to let you run
