

Disappear

Mikky Ekko

Every time I close my eyes
I feel I cannot turn back
Every time I close my eyes
I want to fall back into you

So long, fresh breath of innocence
So long to the life we used to know
'Cause every time I close my eyes
I want to disappear with you
And I hope you want to disappear, too

Stay and come out of the rain
Colder as the years go
Warm yourself again
Yeah, low, the sun is sinking
Colder as the years go on
Oh, on yourself again

So long, fresh breath of innocence
So long to the life we used to know
'Cause every time I close my eyes
I want to disappear with you
And I hope you want to disappear, too

I hope you want to disappear, too
I hope you want to disappear

Every time I close my eyes
Every time I close my eyes
I want to disappear with you
And I hope you want to disappear, too

I hope you want to disappear, too
I hope you want to disappear
