

# We Must Be Killers

Mikky Ekko

I woke up, I was stuck in a dream  
You were there, you were tearing up everything

And we all know how to fake it baby  
And we all know what we've done

We must be killers  
Children of the wild ones  
Killers  
Where we got left to run?  
Killer, killer, killer, killer  
Killer, killer, killer, killer

Set my body free  
The silver tigers in the moon light running  
And the wind in the trees  
Singing do you believe?

And we all know how to fake it baby  
And all we know is gone

We must be killers  
Children of the wild ones  
Killers  
Where we got left to run?  
Killer, killer, killer, killer  
Killer, killer, killer, killer

And we all know how to fake it baby  
And we all know what we have done

We must be killers  
Children of the wild ones  
Killers  
Where we got left to run?  
Killer, killer, killer, killer  
Killer, killer, killer, killer

Children of the wild ones  
Children of the wild ones  
Children of the wild ones
