

# Bonfire

Mila J

Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah

You'll never find it  
You'll never see it in sunlight  
I will never play it  
Bonfire, bon-bon-fire

Got the flames going up tonight  
Got the flames going up tonight

Bonfire, bonfire  
Bonfire, bonfire now  
Bonfire, bonfire  
Bonfire, bonfire now

And it's so hard  
So much smoke  
And we don't see the sun at all  
Bonfire  
You'll never see the sun again  
And I will never see the light again

Got the flames going up tonight  
Got the flames going up tonight

Bonfire, bonfire  
Bonfire, bonfire now  
Bonfire, bonfire  
Bonfire, bonfire now  
Bonfire, bonfire  
Bonfire, bonfire now  
Bonfire, bonfire  
Bonfire, bonfire now

It's a bon-bonfire  
It's a bon-bonfire  
It's a bon-bonfire  
As you burn up in the flames  
You'll remember my name  
As you burn up in the flames  
You'll remember my name

Bonfire, bonfire  
Bonfire, bonfire now  
Bonfire, bonfire  
Bonfire, bonfire now

I'ma light it up  
Bonfire, bonfire  
I'ma light it up  
Bonfire, bonfire  
I'ma light it up  
Bonfire, bonfire now
