

# Good Lookin' Out

Mila J

Good lookin' out little homie  
Glad that you showed me  
Just what he was all about  
(Marques Houston)  
Good lookin' out little shorty  
Guess she wasn't for me  
Glad that I found all this out  
(Mila J & Marques Houston)  
Good lookin' out  
See this is what I'm talkin' about  
Cause we both play the game  
Never gonna change, all I gotta say is  
Good lookin' out

I remember in the beginning boy I thought I was so sure  
I thought I found the one, and my search was over  
Never judge a book by its cover, oh yeah, oh yeah  
Somethin' told me from the get-go you was the wrong dude  
What looks good ain't always the best for you  
But I'm cool I'm glad I'm seeing the real you (aaaaah)  
Oh yeah, oh yeah  
Now you see I thought about it  
I had to flip the script and think about you

Well there's no doubt about, you know I can't deny it  
I feel the same, too

I know you ain't gon' sit here and try to play crazy  
Like everything was my fault, girl that's bologna  
Don't point the finger at me we both do wrong, see  
Oh yeah, oh yeah  
Maybe we both better off being just friends now  
I guess it took all of this to figure this out  
There was a big lesson learned and that is no doubt (aaaaah)  
Oh yeah, oh yeah  
Now see I thought about it  
I had to flip the script and think about you

And there's no doubt about, you know I can't deny it  
I feel the same, too

No girl, no girl, I'm cool  
Ain't trippin' on you, Ain't trippin' on you, ain't trippin' on you  
Oh boy, oh boy, I'm cool, I'm cool on you, I'm cool on you  
No girl, no girl, I'm cool  
Ain't trippin' on you, Ain't trippin' on you, ain't trippin' on you  
Oh boy, oh boy, I'm cool, I'm cool on you, I'm cool on you

Oooooooh  
Wooooahhh  
Show me, just what you were all about  
That's what you was all about  
Good lookin' out
