

I Do Love You

Mila J

When you need attention babe
It's like I barely even know your name
Know I don't say it every day but babe
I do love you, I do love you
That distant look upon your face
I know we've had much better days
Just know that it'll be okay babe
You know that
I do love you, I do love you

'Cause I know sometimes I let done get away for me
And you know I've got some flaws I don't want you to see
So many things you do show me that you love me
I do love you, I do love you

Aaah I
Aaah I
Aaah I
I do love you, I do love you
I'd ride for you when I got no more
Almost lost you when I got before
When can get it get it on the floor
Say you love me babe, I love you more
Aaah I, I do love you, I do love you

I fucked up the other day, damn
You tryna put me in my place
You tried it babe but it's okay
You know that, I still love you, I still love you

'Cause I know sometimes I let done get away for me
And you know I've got some flaws I don't want you to see
So many things you do show that you love me
I do love you, I do love you

Aaah I
Aaah I
Aaah I
I do love you, I do love you
I'd ride for you when I got no more
Almost lost you when I got before
When can get it get it on the floor
Say you love me babe, I love you more
Aaah I, I do love you, I do love you

[iRich:]
You fucked up the other day
Call me some other nigga's name
I'm sick and tired of all the games
When everything is gon' change
There's only one way you can make it up to me
You say we can get it get it on the floor
And if you love me more, then show me on the floor
I got you [?] and beggin' me for more
If you wanna be with me forever more
Even though you drive me crazy
Girl you gon' have my baby

'Cause I do love you, I do love you

[Mila J & iRich:]

'Cause I know sometimes I let done get away for me
And you know I've got some flaws I don't want you to see
So many things you do show that you love me
I do love you, I do love you

Aaah I

Aaah I

Aaah I

I do love you, I do love you
I'd ride for you when I got no more
Almost lost you when I got before
When can get it get it on the floor
Say you love me babe, I love you more
Aaah I
