Yeah this is raw nigga (Mila J, Omarion) this is smooth (let it go)

I come from the land down under Blaze up, it's Mila, the girl wonder Back wit it get cracked just like thunder Cuz the flow will vibrate the tundra And my glow will radiate the summer Bang this in yo coups, Lex, and Hummers Move to the rhythm like I'm an old drummer Niggas swarm the dance floor like piranhas Cause I'm keepin it hot like Tijuana But I'm hood as Shaniqua and Kiana Sexy as Aaliyah or Madonna Donna Karan, bitches starin', but I ain't carin' They know she will kill a song Ever seen a girl in a chinchilla thong? Have your eyes deep fried like won ton Can hate if you wanna just throw up the one, oh

Back in the club once again it's me
This ain't your average chick, it's me
Go head work your body and let me show you how to party girl
Back in the house once again it's me
(Smirnoff) over long island iced tea
Go head work your body and let me show you how to party

Let it go thats wussup yall the party has just begun, all the fellas throw y our cash

out but you can keep the ones

Bad little mama

Slick with the grammar Bionic like dun na nun na nun na nun ah Dookie rope chain in the pink leather bomber Niggas can't see me, haters tryna find me like Osama Rock like nirvana (Mila Mila) Chicks love throwin' they hips to my heater Anywhere I sit, I'm gon kick my feet up Re-up, flow get slow, watch me speed up You know I can make 'em into every single synonym Sweet as cinnamon Got 'em as soon as I put my venom in Got his toes curlin' and rippin' out of his Timberlands I ain't even give him my booty look what I did to him (damn) Now he trippin', give him some Ritalin Mila J; black, Asian, and Indian That's why the flow mix up so smoothly Ask Jamba Juice who really invented smoothies, ooh wee

Back in the club once again it's me
This ain't your average chick, it's me
Go head work your body and let me show you how to party girl
Back in the house once again it's me
(Smirnoff) over long island iced tea
Go head work your body and let me show you how to party

Let it go Attention all cars: coups, SUV's, and drops Turn your systems up! It's time to pack the parking lot

So gutta but butter like Parkay
M-J gets biz like Markie
Zoom-a-zoom-a-zoom-a-zang
I know you love the swagga when I'm doin my thang
I know you love the way I pull up in the Range with the audacity to rock like two chains

Rings on all five fingers Assault with a deli pepper Like I'm a legend from Queens Knaw mean?

Back in the club once again it's me this aint your average chick it's me Omarion:] Go head work your body and let me show you how to party girl Back in the house once again it's me smirnoff over long island iced tea Go head work your body and let me show you how to party

Let it go Party people, your dreams has now been fufilled All the ladies, report to the dance floor And spill your drinks. Ha ha!

Back in the club once again it's me
This ain't your average chick, it's me
Go head work your body and let me show you how to party girl
Back in the house once again it's me
(Smirnoff) over long island iced tea
Go head work your body and let me show you how to party

Let it go
