

No Fux

Mila J

It's out of motion
Killer potion
Slippin' so so hard
Sippin' so so hard
You deserve a bad one
The only one to smash that
'Cause fake is so familiar
You pull on like a chewy

You pull up in a foreign
We know you like 'em foreign
Uhuh, that's how you do
I tell the truth
You made it for ya
Now you pull up and you know what's headin'
Try to pull me back like magic
You think I care

I don't give a fuck
No fucks, no fucks, no fucks, no fucks
No fucks, no fucks, no fucks
I don't give a fuck
No fucks, no fucks, no fucks, no fucks
No fucks, no fucks, no fucks
I don't give a

Picked you up now you back down
Wonder why you want me back now
Back like a bad habit
Back like a bad habit
You used to have bad one
She never were a mess no
Fake is so familiar
You saw it in the mirror

You pull up in a foreign
We know you like 'em foreign
Uhuh, that's how you do
I tell the truth
You made it for ya
Now you pull up and you know what's headin'
Try to pull me back like magic
You think I care

I don't give a fuck
No fucks, no fucks, no fucks, no fucks
No fucks, no fucks, no fucks
I don't give a fuck
No fucks, no fucks, no fucks, no fucks
No fucks, no fucks, no fucks
I don't give a fuck

Picked you up now you back down
Wonder why you want me back now
Back like a bad habit
Back like a bad habit
I'm going through cause now you're back now

Through it all I want you back now
Back like a bad habit
I've got a bad habit

I don't give a fuck
No fucks, no fucks, no fucks, no fucks
No fucks, no fucks, no fucks
I don't give a fuck
No fucks, no fucks, no fucks, no fucks
No fucks, no fucks, no fucks
I don't give a fuck
