

## Wait A Minute

Who's Ring Is It  
That You Are Wearing On Your Finger  
Who's Ring Is It  
That She Is Rocking On Her Finger  
Who Is It  
That Everyone Knows To Be Your Wifey  
Even On Your Phone She Holds Up The Title Wifey

Who Is She  
Certinley Not Me  
Oh, I, We Should Be  
Definitely Me  
But I'm Not The Jealous Type, I Won't Put Up A Fight  
I Sit Here And Pretend, That You And Me Are Friends

I'm Not Even Gonna Trip (Not Gonna Trip, Not Gonna Trip)  
I'm Not Even Gonna Front (I'm Not Even Gonna Front)  
I'm Not Even Gonna Flip (Not Gonna Flip, Not Gonna Flip)  
This Is How We Handle This Here, Buisness

Hold Up, Wait A Minute  
Take A Look At Me A Minute  
Stop, Right There A Minute  
Baby, Can You Stay A Minute  
Hold Up Wait A Minute  
Take A Look At Me A Minute  
Who Am I To You  
Does She Know That You Called Me  
(Tell Me)  
Hold Up, Wait A Minute  
Take A Look At Me A Minute  
Stop, Right There A Minute  
Baby, Can You Stay A Minute  
Hold Up Wait A Minute  
Take A Look At Me A Minute  
Who Am I To You  
Does She Know That You Called Me

I Gave It To You Every single time Time You Wanted This  
Sometimes I Gave It To You When I Never Needed This...
