

# Let Me Cry

Mila Mason

I don't want your sympathy  
I can't believe you're telling me  
That you don't love me anymore  
You say that we can still be friends  
And in time my heart will mend  
Well that ain't what I'm looking for

So let me cry by myself  
'Cause these tears will help to wash away the pain  
I know in time they will dry  
But for now please go away and let me cry

Tell me is there someone new  
That you've given your love to  
Or is it something that I've done  
Don't think I'll ever understand  
We could come this far and then  
You could leave me here alone  
And

Let me cry by myself  
'Cause these tears will help to wash away the pain  
I know in time they will dry  
But for now please go away and let me cry

I know in time they will dry  
But for now please go away and let me cry  
But for now please go away and let me cry
