

Endless Roads

Miles Away

Face facts, we're all just stumbling through
Trapped in a space, told no way out
No dead end roads, that's what we say
Won't let a system weigh down on me
No victims, no boundaries
Redraw the lines that hold us back
Places we are forced into, led to pasture by our peers, break a way

As far as I can see the horizon's far and wide
As far as I can tell there's no reason to fall in line
Because we are free, we are free to roam these endless roads

Don't tell me what I can't do
Don't tell u where we can't be
Don't tell me what I can't do
Don't tell me

Endless roads
We'll forge our own
Endless roads
So far from home
