

Don't Forget Who You Are

Miles Kane

1. The finest clothes that you can find
Dressed in my coats, well I'm feeling fine
I wanna shine
I'll shine so hard

I'll stand apart
These foolish ways, I know my place
My time is now
My time is now

R: Although we're tongue-tied and breathless
We once let our worries dictate who we are
Throw out the old doubts,
We won't let our worries dictate who we are
La la la, la la la la la la
Don't forget who you are

2. Don't build me up
Make up your mind
Then keep the faith, cos I'll keep the faith
I like your style, you make me smile

R: Although we're tongue-tied and breathless...

3. Darling close your eyes
And wish for more
Waiting in our dreams till we're ready for more

R: When we're tongue-tied and breathless
We once let our worries dictate who we are
So let's throw out the old doubts,
We won't let our worries dictate who we are
La la la, la la la la la la
Don't forget who you are
La la la, la la la la la la
Don't forget who you are
La la la, la la la la la la
Don't forget who you are
La la la, la la la la la la
