

# Don't Forget Who You Are

Miles Kane

1. The finest clothes that you can find  
Dressed in my coats, well I'm feeling fine  
I wanna shine  
I'll shine so hard

I'll stand apart  
These foolish ways, I know my place  
My time is now  
My time is now

R: Although we're tongue-tied and breathless  
We once let our worries dictate who we are  
Throw out the old doubts,  
We won't let our worries dictate who we are  
La la la, la la la la la la  
Don't forget who you are

2. Don't build me up  
Make up your mind  
Then keep the faith, cos I'll keep the faith  
I like your style, you make me smile

R: Although we're tongue-tied and breathless...

3. Darling close your eyes  
And wish for more  
Waiting in our dreams till we're ready for more

R: When we're tongue-tied and breathless  
We once let our worries dictate who we are  
So let's throw out the old doubts,  
We won't let our worries dictate who we are  
La la la, la la la la la la  
Don't forget who you are  
La la la, la la la la la la  
Don't forget who you are  
La la la, la la la la la la  
Don't forget who you are  
La la la, la la la la la la
